

EXPEDITED FREIGHT SHIPPING

Immediate transport solutions when your shipment cannot wait.

Box Trucks • Sprinter Vans • Straight Trucks • Dry Vans • Specialty Equipment

FAST RESPONSE

Same-day and next-day options for urgent freight, hot shots, show freight, and critical business shipments.

10,000+ CARRIER ACCESS

A large carrier network and partnerships with multiple companies to match the right equipment quickly.

PROFESSIONAL COORDINATION

Clear communication from quote to pickup to delivery with shipment updates when available.

What We Handle

- Expedited freight shipping for urgent, time-sensitive loads
- Immediate transport options for same-day, overnight, and direct delivery needs
- Trade show and event freight, emergency replenishment, replacement parts, and high-priority business freight
- Regional and long-distance coverage through vetted carrier relationships
- Single shipment support or repeat lanes for ongoing customers

Fast Quote Checklist

- ✓ Pickup ZIP and delivery ZIP
- ✓ Commodity and weight
- ✓ Dimensions and pallet count
- ✓ Ready time and delivery deadline
- ✓ Equipment required
- ✓ Special handling notes

Equipment Options

Cargo / Sprinter Van	Box Truck	Straight Truck	Dry Van / Other
Small urgent shipments, parts, samples, and direct runs.	Palletized freight, local/regional expedited moves, liftgate options when available.	Larger expedited shipments requiring more capacity and direct service.	Full-truckload support and specialty equipment based on lane and availability.

Need it moved now? Call First Golden Logistics: 847-505-3302

Expedited Freight Built Around Speed, Communication, and Capacity

When deadlines are tight, First Golden Logistics helps source the right carrier, equipment, and lane solution quickly.

1	2	3	4
Request	Match	Dispatch	Deliver
Send pickup, delivery, dimensions, weight, and delivery deadline.	We source available carrier options through our network.	Carrier is assigned for immediate transport or scheduled pickup.	We coordinate delivery and provide updates as information is received.

Common Expedited Freight Needs

- Manufacturing parts and line-down freight
- Trade show and convention shipments
- Retail replenishment and urgent inventory
- Medical, hospitality, and service-industry freight
- Construction, millwork, and jobsite material support
- High-priority business-to-business shipments

Service Area Capability

- Local and regional expedited runs
- Midwest lanes from Chicagoland, Wisconsin, Indiana, Michigan, and surrounding markets
- Nationwide options based on carrier availability
- Direct drive, exclusive-use, and dedicated equipment options when available
- After-hours and urgent dispatch coordination by request

Why Customers Choose First Golden Logistics

Capacity Access to over 10,000 carriers and multiple strategic partnerships.	Speed Built for urgent freight where time, deadlines, and communication matter.	Equipment Support for box trucks, sprinter vans, straight trucks, dry vans, and specialty options.
Coordination Professional dispatch communication from quote through delivery.	Flexibility One-off emergency shipments or repeat customer lanes.	Business Support Helpful for trade shows, manufacturers, distributors, retailers, and project freight.
